

MCN INDEX

Index to Volume 21
January to December 1996

Yelena Vasilyeva
MLS Indexer

BY SUBJECT

A

Abstracts

- A strategy to assess the temporal dimension of pain in children and adolescents (Saviedra, Tesler, Holzemer, Brokaw) 9
- Firstborns' behaviors during a mother's second pregnancy (Gottlieb, Baillies) 9
- Nasogastric tube placement: effects on breathing and sucking in very-low-birth-weight infants (Shiao, Youngblut, Anderson, DiFiore, Martin) 9
- Predictors of role competence for experienced and inexperienced fathers (Ferkovich, Mercer) 9
- Responses of premature infants to routine nursing interventions and noise in the NICU (Zahr, Balian) 9

Abuse

- Immunity for reporting child abuse (Rhodes) 169
- Laminated cards for helping battered women (Von Burg) 159

Accountability

- Hoping won't make it happen... (editorial) (Bishop) 167
- Standing up for ourselves (editorial) (Bishop) 119

Advanced Practice Nurses

- Litigation on advanced nursing practice (Rhodes) 271
- Update on advanced practice (Rhodes) 257

Anemia, Sickle Cell

- Caring for the pregnant woman with sickle cell disease (Montgomery) 224
- Hydroxyurea in sickle cell disease (Burke) 210

Anniversaries and Special Events

- Birthday gifts (editorial) (Bishop) 5
- MCN (January-February 1996 issue)
- MCN: the first 20 years: highpoints, people, places, policies, in Maternal/Child Health (Daisy) 18

Asthma

- Standards of care for acutely ill children with asthma (Andersen, Ferraro-McDuffie) 280

Azithromycin

- Azithromycin: only once a day (Burke) 162

B

Breast Feeding

- Special Reader Feedback: When women decide not to breastfeed... 64

C

Child Behavior Disorders

- Tics, Tourette's, and attention deficit hyperactivity disorders: connections and treatment (Mitchell, Steffenson, Hogan, Gibson, Steffenson) 294

Child Development

- Nursing standards for child development (Jost) 67

Classification

- Cost care by task/define nursing by knowledge (Vezau) 253

- How NIC describes MCH nursing (Eganhouse, McCloskey, Bulechek) 247

Clinical Protocols

- Developing time-based protocols (Barnes) 177

Commerce

- Full circle (editorial) (Bishop) 267

D

Death

- Testing the standards of death (Rhodes) 109

Diarrhea

- Oral rehydration therapy: a neglected treatment for pediatric diarrhea (Straughn, English) 144

Documentation

- Documentation of patient teaching (Barnes) 111

Drug Therapy

- A closer look at penicillin (Burke) 114
- Azithromycin: only once a day (Burke) 162
- Drug use during pregnancy (Rhodes) 127
- Hydroxyurea in sickle cell disease (Burke) 210
- Oral Imitrex for migraine relief (Burke) 316
- Respigam for protection against RSV (Burke) 258
- Should nursing mothers take ibuprofen? (letters) (Burroughs, Anderson, Creer, Burke) 122, 161
- The many uses of ibuprofen (Burke) 56
- Women's responses to Depo-Provera (Frieda, Abruzzo-Fogarty, Adams, Davini, DeVore, Merkatz) 183

E

Ethics

- Anencephalic organ donation (Rhodes) 15
- Testing the standards of death (Rhodes) 109

F

Family Planning

- Women's responses to Depo-Provera (Frieda, Abruzzo-Fogarty, Adams, Davini, DeVore, Merkatz) 183

Fetal Monitoring

- Continuous electronic fetal monitoring: does it belong in low-risk births? (Supplee, Vezau) 301

Fluid Therapy

- Oral rehydration therapy: a neglected treatment for pediatric diarrhea (Straughn, English) 144

Future

- The high-touch paradigm: a 21st century model for maternal-child nursing (Kowalski, MacMullen, Stifter, Brundage, Slack, Strotbeck, Broome) 43

H

Headache

- Oral Imitrex for migraine relief (Burke) 316
- Recurrent headaches in children (Divertie) 235

History of Nursing

- Birthday gifts (editorial) (Bishop) 5
- MCN: the first 20 years: highpoints, people, places, policies, in Maternal/Child Health (Daisy) 18
- Rugged individualism and compassion: the foundation of public policy (Plotnick, Presler) 20
- The current state of research in MCH nursing (Kachoyanos) 13

- 13 nurses tell us, why I'm proud to be an MCH nurse: A few minutes is all it takes (Biancuzzo) 34; Advocating for children (Moloney-Harmon) 40; Be true to professional goals (Rogers) 40; Beyond my own expectations (Lewis) 37; Bright futures for children (Fleming) 36; Expert caring demands the best (Penticuff) 42; Helping women control their lives (Merkatz) 39; "Just being there" (Oehler) 41; Partners with families (Lubic) 38; Proud to celebrate life (Cazzoli) 36; Remembering influential nurses (Kachoyanos) 34; Rubber on the rebound: two MCH nurses talk about latex allergy (Meeropol, Romanczuk) 38; The personal is political (Leavitt) 35

Home Nursing

- Caring for a woman with a hydatidiform mole and coexisting pregnancy (Urban-ski, Higgins, Murray, Joffe) 85
- Inreach: linking walk-ins and their infants to community-based care (McComish, Lawlor, Laken) 132
- Meeting parents' postpartal information line (Valaitis, Tuft, Swanson) 90

Hydatidiform Mole

- Caring for a woman with a hydatidiform mole and coexisting pregnancy (Urban-ski, Higgins, Murray, Joffe) 85

I

Ibuprofen

- Should nursing mothers take ibuprofen? (letters) (Burroughs, Anderson, Creer, Burke) 122, 161

- The many uses of ibuprofen (Burke) 56

Immunization

- Immunization carnivals for the hard-to-reach (Brown, Simon, Riddle, Koucky, Fuller, Lobo) 100
- Varicella zoster virus: trends and treatment (Braun) 187

Indians, North American

- Assessing American Indian families (Seideman, Jacobson, Primeaux, Burns, Weatherby) 274

Infant, Newborn

- Meeting parents' postpartal needs with a telephone information line (Valaitis, Tuft, Swanson) 90

- Postpartum nursing for Korean mothers (Schneiderman) 155

Infection Control

- Infection control: the never-ending saga (Bishop) 63

Informed Consent

- Elements of informed consent (Kachoyanos) 205
- Principles of informed consent (Kachoyanos) 131

Intubation, Intratracheal

- Lowering the rate of unscheduled extubations (Brown, Thompson, Brooks) 152

J

Jurisprudence

- Anencephalic organ donation (Rhodes) 15
- Drug use during pregnancy (Rhodes) 127
- Immunity for reporting child abuse (Rhodes) 169
- Litigation on advanced nursing practice (Rhodes) 271
- Testing the standards of death (Rhodes) 109
- Update on advanced practice (Rhodes) 257

L

Leadership

- Major learning experiences revisited (Kowalski, Hayden, Burck) 76
- The high-touch paradigm: a 21st century model for maternal-child nursing (Kowalski, MacMullen, Stifter, Brundage, Slack, Strotbeck, Broome) 43

- 13 nurses tell us, why I'm proud to be an MCH nurse: A few minutes is all it takes (Biancuzzo) 34; Advocating for children (Moloney-Harmon) 40; Be true to professional goals (Rogers) 40; Beyond my own expectations (Lewis) 37; Bright futures for children (Fleming) 36; Expert caring demands the best (Penticuff) 42; Helping women control their lives (Merkatz) 39; "Just being there" (Oehler) 41; Partners with families (Lubic) 38; Proud to celebrate life (Cazzoli) 36; Remembering influential nurses (Kachoyanos) 34; Rubber on the rebound: two MCH nurses talk about latex allergy (Meeropol, Romanczuk) 38; The personal is political (Leavitt) 35

M

MCN Network (department)

- Bill of rights for donor families 176
- Booklet of advanced directives 176
- Database of treatments for AIDS-related conditions 176

N

Neonatal Nursing

- Lowering the rate of unscheduled extubations (Brown, Thompson, Brooks) 152

Meeting parents' postpartal needs with a telephone information line (Valaitis, Tuff, Swanson) 90
 Postpartum nursing for Korean mothers (Schneiderman) 155

Nurse-Patient Relations

How parents describe caring behaviors of nurses in pediatric intensive care (Vincent, Alexander, Money, Patterson) 197

Nursing Staff, Hospital

Moving change through the system: a model for staff involvement (Garcia) 219

O

Obstetrical Nursing

Caring for a woman with a hydatidiform mole and coexisting pregnancy (Urban-ski, Higgins, Murray, Joffe) 85
 Caring for the pregnant woman with sickle cell disease (Montgomery) 224
 Continuous electronic fetal monitoring: does it belong in low-risk births? (Sup-plee, Vezau) 301
 Cost care by task/define nursing by knowl-edge (Vezau) 253
 How NIC describes MCH nursing (Egan-house, McCloskey, Bulechek) 247
 Meeting parents' postpartal needs with a telephone information line (Valaitis, Tuff, Swanson) 90
 Nursing implications of self-care in preg-nancy (Hart) 137
 Perinatal effects of a pregnancy wellness program in the workplace (Walden, Still, Zinn, Larsen) 288
 Postpartum nursing for Korean mothers (Schneiderman) 155
 Short, shorter, shortest: continuing to improve the hospital stay for mothers and newborns (McGregor) 191
 The conception, birth, and infancy of an early discharge program (Mendler, Scallen, Kovtun, Balesky, Lewis) 241

Organ Procurement

Anencephalic organ donation (Rhodes) 15
 Testing the standards of death (Rhodes) 109

P

Parents

Home from the PICU: are parents ready? (Bent, Keeling, Routson) 80
 Traditional values: are they in fact deval-ued? (Cavendish) 203
 What is a "good" parent? (Gross) 178
 When parents participate in critical path-way management following pediatric cardiovascular surgery (Turley, Hig-gins) 229

Patient Discharge

Home from the PICU: are parents ready? (Bent, Keeling, Routson) 80
 Meeting the challenge of early postpartum discharge (Barnes) 129
 The conception, birth, and infancy of an early discharge program (Mendler, Scallen, Kovtun, Balesky, Lewis) 241

Patient Education

Documentation of patient teaching (Barnes) 111
 Evaluating the readability of patient educa-tion materials (Barnes) 273
 Health promotion teaching in preschools (Cagle, Keen-Payne) 96
 Immunization carnivals for the hard-to-reach (Brown, Simon, Riddle, Koucky, Fuller, Lobo) 100
 Meeting parents' postpartal needs with a telephone information line (Valaitis, Tuff, Swanson) 90

Meeting the challenge of early postpartum discharge (Barnes) 129
 Nursing implications of self-care in preg-nancy (Hart) 137

Perinatal effects of a pregnancy wellness program in the workplace (Walden, Still, Zinn, Larsen) 288
 Preoperative teaching: a quality improve-ment project (Barnes) 255
 Standards of care for acutely ill children with asthma (Andersen, Ferraro-McDuffie) 280

The many challenges of patient teaching (Barnes) 7

Pediatric Nursing

Bright futures: guidelines for health super-vision of children (Fleming) 269
 Health promotion teaching in preschools (Cagle, Keen-Payne) 96
 Home from the PICU: are parents ready? (Bent, Keeling, Routson) 80
 How parents describe caring behaviors of nurses in pediatric intensive care (Vin-cent, Alexander, Money, Patterson) 197
 Immunization carnivals for the hard-to-reach (Brown, Simon, Riddle, Koucky, Fuller, Lobo) 100
 Nursing standards for child development (Jost) 67
 Oral rehydration therapy: a neglected treat-ment for pediatric diarrhea (Straughn, English) 144
 Standards of care for acutely ill children with asthma (Andersen, Ferraro-McDuffie) 280
 Tics, Tourette's, and attention deficit hyper-activity disorders: connections and treatment (Mitchell, Steffenson, Hogan, Gibson, Steffenson) 294
 Varicella zoster virus: trends and treatment (Braun) 187
 When parents participate in critical path-way management following pediatric cardiovascular surgery (Turley, Hig-gins) 229

Personnel Staffing and Scheduling

From expertise to competence... (Hath-away, Longobucco) 171

Posters

Poster presentations: getting your point across (Morin) 307
 Poster presentations: planning (Morin) 206

Postpartum Nursing

Meeting parents' postpartal needs with a telephone information line (Valaitis, Tuff, Swanson) 90
 Meeting the challenge of early postpartum discharge (Barnes) 129
 Postpartum nursing for Korean mothers (Schneiderman) 155
 Short, shorter, shortest: continuing to improve the hospital stay for mothers and newborns (McGregor) 191

Pregnancy

Drug use during pregnancy (Rhodes) 127
 Nursing implications of self-care in preg-nancy (Hart) 137
 Perinatal effects of a pregnancy wellness program in the workplace (Walden, Still, Zinn, Larsen) 288

Pregnancy, High-Risk

Caring for a woman with a hydatidiform mole and coexisting pregnancy (Urban-ski, Higgins, Murray, Joffe) 85
 Caring for the pregnant woman with sickle cell disease (Montgomery) 224

Prenatal Care

Continuous electronic fetal monitoring: does it belong in low-risk births? (Sup-plee, Vezau) 301

Inreach: linking walk-ins and their infants to community-based care (McComish, Lawlor, Laken) 132
 Nursing implications of self-care in preg-nancy (Hart) 137
 Perinatal effects of a pregnancy wellness program in the workplace (Walden, Still, Zinn, Larsen) 288

Public Opinion

The world is moving faster (editorial) (Bishop) 217

Public Policy

Public policy—do it yourself ideas 27
 Rugged individualism and compassion: the foundation of public policy (Plot-nick, Presler) 20

R

Research

Elements of informed consent (Kachoyanos) 205
 Evaluating research for use in clinical practice (Kachoyanos) 223
 Home from the PICU: are parents ready? (Bent, Keeling, Routson) 80
 How parents describe caring behaviors of nurses in pediatric intensive care (Vin-cent, Alexander, Money, Patterson) 197
 Launching a research study (Kachoyanos) 107
 Meeting parents' postpartal needs with a telephone information line (Valaitis, Tuff, Swanson) 90
 Methods for assessing the accuracy of measuring instruments: Part 1 (Kachoyanos) 311
 Nursing implications of self-care in preg-nancy (Hart) 137
 Perinatal effects of a pregnancy wellness program in the workplace (Walden, Still, Zinn, Larsen) 288
 Principles of informed consent (Kachoyanos) 131
 The current state of research in MCH nurs-ing (Kachoyanos) 13
 Women's responses to Depo-Provera (Fre-da, Abruzzo-Fogarassy, Adams, Davini, DeVore, Merkatz) 183

Rural Health

Immunization carnivals for the hard-to-reach (Brown, Simon, Riddle, Koucky, Fuller, Lobo) 100

S

Safety

Promoting automobile safety for young children (Gaines, Layne, DeForest) 148

Social Values

Traditional values: are they in fact deval-ued? (Cavendish) 203

Standards

Bright futures: guidelines for health super-vision of children (Fleming) 269
 Nursing standards for child development (Jost) 67
 Standards of care for acutely ill children with asthma (Andersen, Ferraro-McDuffie) 288
 Testing the standards of death (Rhodes) 109

Stress, Psychological

Health promotion teaching in preschools (Cagle, Keen-Payne) 96
 Maxed out?: Mellow out with these person-al stress management strategies (Campbell) 123

Surgery, Cardiovascular

When parents participate in critical path-way management following pediatric cardiovascular surgery (Turley, Hig-gins) 229

T

Telephone

Meeting parents' postpartal needs with a telephone information line (Valaitis, Tuff, Swanson) 90

Transcultural Nursing

Assessing American Indian families (Sei-deman, Jacobson, Primeaux, Burns, Weatherby) 274
 Postpartum nursing for Korean mothers (Schneiderman) 155

V

Violence

Laminated cards for helping battered wom-en (Von Burg) 159

W

Women's Health

Laminated cards for helping battered wom-en (Von Burg) 159
 Perinatal effects of a pregnancy wellness program in the workplace (Walden, Still, Zinn, Larsen) 288
 Women's responses to Depo-Provera (Fre-da, Abruzzo-Fogarassy, Adams, Davini, DeVore, Merkatz) 183
